Gun Metal

Charcoal

\* Offer for 'Flat roof finish' refers to the Classic Range of concrete roof tiles only and 'standard range' refers to Bristile Roofing's standard range of concrete roof tiles (Designer, Heritage and Traditional range). Promotion applies to all building contracts signed with Beachwood Constructions for a limited time. Pitches lower than 20 degrees require roof sarking which is not included in this offer. Offer is only available on standard house designs. Bristile Roofing recommends that customers see actual product displays prior to making final selections.

**+ Warrantied to Last**

- 50 Year Warranty on the product.
- 10 Year Total Roof Warranty on installation and roof accessories we install.

**+ Natural Insulator Year-Round**
